Stift Urach is situated at the heart of Bad Urach next to the Church of St. Amandus. It is the Einkehrhaus der Evangelischen Landeskirche in Württemberg. A place of peace and tranquility with monastic charm.

No matter whether you're attending one of our seminar or recreation programmes, spending your holiday here or holding your own seminar or conference, you can be sure of enjoying the warm and hospitable atmosphere that awaits you.

## RETREAT

Draw strength for body and soul, find peace, open up to God. Through times for contemplation, meditation sessions and seminars, we invite you to discover new life stimuli, encounter hospitality and sociable fellowship or, perhaps in times of crisis, experience pastoral care. Stift Urach means being able to develop creativity, unfold potential, delve into theology and ecclesiastical history, share life experiences and find your true self in faith and everyday life. For more details of what our retreat centre has to offer please refer to our annual programme or visit us at [www.stifturach.de](http://www.stifturach.de).

We would be happy to organise a festive buffet for you in the Graf Eberhard vaulted cellar. Feel free to contact us!

## UNWIND
